WELCOME TO JUST OFF MAIN DINING ROOM

Every day I like to prepare at least one fresh soup. It keeps me centered and sharp. Specials are inspired by ingredients I have around, collaboration with my co-workers or ideas I get from food periodicals and the Food Network. Whatever the inspiration, we certainly want you to try our special and pass your comments on to our staff. They will be sure to let me know how we are doing.

The staff and I look forward to serving you many enjoyable meals.
